HECHTSCHIP H995

BROKER'S COMMENTS

This Hechtschip H995 is completely build out of mahogany by the Hechtschip yard and with her epoxy layer she has excellent insulation properties. The ship is very maintenance-free and in combination with epoxy it delivers a strong and rigid ship. The first and only owner has invested a lot to keep her in good condition. With a new engine and saildrive and sails from 2018 this Sprorts Cruiser version is ready for a new adventure!
