STRIKER 44 FISHERMAN

BROKER'S COMMENTS

The Striker 44 Sportfisherman (manufactured 1968–1975) is a classic Norwegian-built sportfishing boat, known as the world's first all-aluminium production yacht. Measuring 44 feet in length, with a generous 15-foot beam and a robust 'pentapolymeric' aluminium hull, this vessel is designed for rough seas and serious sport fishing. The 'Sunpower' underwent a major refit in 2021–2022, with no expense spared. The Striker 44 is moored in our covered sales marina in Sneek... where you are very welcome 7 days a week.
