### BROKER'S COMMENTS

"Dazzling sail performance & Scandinavian craftsmanship... it's Ron Holland's Omega 46 now on offer. With the easy to handle powerful rig at fingertip, single handed, control, you will be amazed on how this very pretty design handles and sails. Excellent deep cockpit for added safety and comfort at sea or leisurely in the marina. The sumptuous interior below decks provides for the comfort you want and expect. So if you like performance sailing but do not want to compromise in comfort
