LM 35 VITESSE/CABRIO

BROKER'S COMMENTS

LM 35 Vitesse Cabrio, a Danish motor-sailer in good condition, is being sold by its first owner. Only 14 Cabrio versions were built. A unique combination of outstanding sailing performance, Scandinavian craftsmanship and comfort with panoramic views. The Vitesse series was developed as LM Yachts' more performance-oriented range, and the Cabrio version offers a rare 'cockpit-salon' layout with an enclosed cockpit. A boat where the emphasis was placed more strongly on sailing performance and the overall experience.
