BRANDARIS BARKAS 900 HYBRID - 2X 5KW

BROKER'S COMMENTS

The Brandaris Barkas 900 Twin Electric combines classic craftsmanship with modern technology and versatile propulsion. Equipped with twin 12 hp electric motors, she cruises virtually silently and emission-free, while the powerful 110 hp Yanmar diesel engine provides additional power and extended range whenever required. Her premium finish, featuring teak, mahogany, and stainless steel, reflects a timeless elegance. Thanks to her robust composite hull and exceptional attention to detail, this Barkas offers a unique combination of luxury, sustainability, versatility, and timeless design.

Julian de Heer
