

VIKINGBANK 1200 MS

1980 | 13,60 m | steel

BROKER'S COMMENTS

"This Vripack Vikingbank ketch is truly a high quality, Dutch built classic, though sailing yacht. Her round-bilge joggled hull is sturdy and gives her a robust, Colin Archer style character. Only superb quality steel, Nirosta 4VA and aluminum has been used. "Pegasus" is well equipped, has great sailing characteristics and is easy to sail single handed. The cosy salon and deckhouse are finished with teak wood. Her previous and current owner maintained her perfectly. She is ready for new adventures.
