2010 | 9,99 m | gfk

### BROKER'S COMMENTS

"Innovative, multifunctional and a proven, successful concept, the Greenline motor yachts are now well established. The Greenline 33 Hybrid is the most complete version of this model. Including Hybrid package, electric drive, 165 hp diesel, solar panels, bow and stern thruster etc. You will certainly appreciate the spacious and easily accessible cockpit in combination with an opening window, sliding door and electrically operated bathing platform. Inside you will find a sea of light and space. Silent,
