BROKER'S COMMENTS

"Designed by Georg Nissen and build by Sunbeam Austria, this centrecockpit cruisingyacht has a lot to go for; good sailperformance and seakeeping, comfortable, safe and build qualiity. With her length over 12 meters the interior space is more than enough for longer comfortable stays on board. Very well equipped (bowthruster, electric winches, airco, etc) and very easy to handle sails and rigging layout with electric winches and stoway sails. "
