BROKER'S COMMENTS

"Fairway to Freedom" is a shallow draft aluminum Koopmans 48 sailing yacht, well built by De Vries in Lemmer / The Netherlands. This sturdy seagoing yacht can bring you to many places. With her centre board keel you can go shorter routes and find the best anchorages. Rigged with furling sails only, a smart sailing cockpit with hydraulic driven winches, backstay and kicker, makes short handed sailing easy. Well equipped, with recent renewals, ideal for blue water cruising and living aboard."
