### BROKER'S COMMENTS

"The CT 48 Cutter is an excellent Robert Perry design with many live-aboard long distance cruising features like a spacious saloon with lots of light, a big owners cabin, generator, solid construction, etc. This CT 48 Cutter has a strong hull, encapsulated keel and skeg-hung rudder and her cutter-rig is well handled with electric winches and furling forward sails. The current owner maintained the boat well since he bought her in 2007. She can be visited 7 days a week at our sales office in Sint
