BROKER'S COMMENTS

"The Eling E3 and E4 are unique in style, layout, design and performance. Designed by Mulder and Freikov, the famous Neptunus yard used their extensive experience and know-how to complete this one of a kind motor yacht. Also a lot of research was done to incorporate the wants & wishes from the prospective buyers. As a lot of them were built, it shows how successful and demanded they are. The Eling E3 Ultimate is a safe, seaworthy and comfortable motor yacht suitable for offshore and cruising
