BROKER'S COMMENTS

"Beautiful and unique sailing yacht, first one of a series of two. Designed by René van der Velden, known from larger yachts and luxury interiors and Piet van Oossanen, specialised in hydrodynamica. Result: a fast, strong and safe sailing yacht with classic appearance. The hull has been repainted in the modern/classic colour grey in 2018 (sailing pictures are in the last colour blue). The underwater vessel has also been completely treated. Now in the water and ready to sail. Visits by
