

BLUEWATER 52 OFF-SHORE KETCH

1993 | 15,88 m | holz-epoxy

BROKER'S COMMENTS

"Paloma is a high quality built bluewater cruising ketch. It is extremely strong and sea worthy. The hull is built in wood epoxy; Cold moulded mahogany plywood in four cross layers glued with West system, 35 mm thick. Therefore no insulation is needed. This makes it very comfortable from the Arctic to the Tropics. A brand new Yamaha diesel engine was placed in 2016. It only ran 160 hlt has excellent sailing characteristics both in light wind and strong wind. It had many renewals and revisions in 2013-2015. If
