

BRUCE ROBERTS 66

1989 | 18,91 m | gfk

BROKER'S COMMENTS

"Bruce Roberts designed heavy duty GRP built vessel, this is a guaranty for save long passage making. She offers perfect permanent life aboard space and accommodation, sleeps 10/13, but can also be an ideal yacht to transform for charter use. Owner fitted the yacht for world solo travelling and upgraded over 100 KEUR the last two years on mostly the technical side, new sails and fixed roof over aft deck. Cosmetic she needs now the finishing touch, mainly varnishing superstructure and inside
