BROKER'S COMMENTS

"Beautifully maintained and well equipped Sea Ray 455 Sedan Bridge named "Horizon". The "Horizon" offers an extremely spacious comfortable accommodation with a reversible air conditioning, Webasto heating, Fusion audio system, in short, an ideal motor yacht for longer vacations. On the engine side this Sea Ray 455 Sedan Bridge with its two strong and reliable Cummins diesel engines also does very well, the "Horizon" can deliver very spectacular performances." **Jochem Heijermans**
