### BROKER'S COMMENTS

"This Klaassenvlet 1300 is a very nice well- maintained round bilged that was built at the well- known Klaassen Shipyard in Voorschoten and has a beautiful teak interior. This ship has a revit with new engines (2008) boiler, electric anchor winch, bow thruster and paintwork (2020) looks like new both inside and out. If you are interested in this beautiful Klaassenvlet, you can view it in our covered sales hall with us in Sneek." **Peter Spruyt**
