### BROKER'S COMMENTS

"The WINGS OF THE MORNING sailboat is a HANS CHRISTIAN 38 Tellstar, built in 1986 and imported into Europe in 2006, it has a running keel and independent rudder. This boat has been carefully maintained by her last two owners. It has not made transatlantic crossings, it has not had any collisions, it totally lacks osmosis, a complete overhaul of the hull in 2006 when it was imported to the US, it currently has a Spanish flag. The boat is fully equipped and ready to sail."
