

ALTENA 54 NG

2023 | 16,91 m | stahl

BROKER'S COMMENTS

"The Altena 54' NG (Next Generation) is an elegant yacht with a tough exterior. The hull and superstructure are made of steel. The beautiful lines create a modern look. The underwater hull, is multi-keeled, this emulates the round bilge. The yacht is built to Altena Yachting's standard standards. Only high-quality products and materials are used, guaranteeing high quality." **Mark Hesselmans**
