

## AQUASTAR 38

2006 | 11,85 m | gfk

### BROKER'S COMMENTS

"The Aquastar 38 of 2006 is a semi-displacement vessel, which makes her very seaworthy. With a Caterpillar of 510 hp you will be quickly at your destination if necessary. Once you have arrived at your destination, you can easily maneuver to your berth with the bow and stern thruster with remote control. The owner has renewed a lot in the past years.
