

HALLBERG RASSY 37

2005 | 11,32 m | gfk

BROKER'S COMMENTS

"Following in the footsteps of the hugely successful 36 model, the 37 model by German Frers was the next logical step for Hallberg Rassy. More spacious, striking design, better performance, etc. The Hallberg Yard is the best at building high quality center cockpit yachts. This 37 model comes with a lot of recent upgrades like sails, electronics, equipment etc. With 3 electric winches this is sailing at fingertip control. And the fully battened mainsail is a guarantee for trouble free and optimum
