

STELLA MARIS VLET

1979 | 11,50 m | stahl

BROKER'S COMMENTS

"When Van der Poel left the Klaassen Shipyard to start for himself he wanted to build the best quality kotters and vlets that were on the market that days. His products became wellknown under the name Stella Maris. The Bontekoe is the only vlet he built and therefore she became a special place in his hart."
