HALLBERG RASSY 36

KOMMENTARE DES MAKLERS

The well known Hallberg Rassy 36 is designed by German Frers as a successor of the famous 352. She has excellent sailing capacities for inland waters and ocean sailing. Below decks the accommodations are more spacious and lighter without compromising the quality in construction and finishing. By owning and sailing the Hallberg Rassy 36 you will appreciate all her character features. She is located on shore at our sales office in Sint Annaland and ready for a visit.
