VOLKERAK 46

KOMMENTARE DES MAKLERS

Ready to sail away. This spring new antifouling, engine check, new layers of varnish on pilot house was done. A very well taken care of Ketch, Motor-sailor with newly renovated centerboard, teak-deck, masts as new etc. Perfect to live onboard or stay long time. Cosy with Dickinson heater and well equipped. There is a very good documentation of the boat itself as well as all renovations and upgrades of the boat with photos and costs. Depth centreboard up/down 1.45/2.70. Now seriously reduced price, and priced to sell.
