KOMMENTARE DES MAKLERS

The Koopmans 40 "Alcyone" will be auctioned online via Bright Auctions. Bids can only be placed online through the Bright Auctions website. All information about the auction will be available on the website <https://brightauctions.com/en/lot-details/20135>. The Koopmans 40 "Alcyone" is a sturdy, classic design by Koopmans Sr., known for her seaworthiness, comfort, performance and safety. An experienced sailor can handle this yacht short-handed with ease, and the cutter rig makes it possible to reef step by step. Since 2017, substantial investments have been made in the vessel.
