BRANDARIS BARKAS 1100 OPEN

KOMMENTARE DES MAKLERS

Are you looking for a modern sloop with classic lines? Then this Brandaris Barkas 1100 is worth a look! This modern classic has had a partial refit in 2018 by Mogano Shipbuilding. Things that have been done include all cushions renewed, new tents, antifouling and paintwork both interior and exterior. In addition, there are 2 powerful 260 hp Yanmar diesel engines in it that provide performance of 30+ knots. These engines, together with the electric bow thruster, make it a very easy boat to sail. Would you like to come and see her? Then stop by our covered marina.
