TALING MS 33

KOMMENTARE DES MAKLERS

This Taling MS 33 is a Dutch sailing yacht with traditional lines and comfortable wheelhouse. Above all, it is a seaworthy yacht, well maintained by the current owner, making her a beauty on the water. She has a new engine, bow thruster and new batteries. With her shallow draught she can navigate both inland and outland waterways. The Taling MS 33 can be viewed 7 days a week at our location in Hindeloopen and is ready for departure with the new owner!
