KOMMENTARE DES MAKLERS

There's absolutely no doubt that the "Enjoy Life" will amaze you if you're looking for an all including comfortable and economical liveaboard flybridge yacht! This well maintained and self-sufficient Apollo de Luxe 66 Flybridge has been built as a One Off in 2005, and the current owner carried out a full refit from 2018 to 2023 with lots of new equipment and upgrades, like new DMS stabilizers. Only the best of the best is good enough for this magnificent motor yacht, also known from the YouTube channel "ENJOY LIFE" ERIK & DIANA. Contact De Valk Zeeland for more info.
