

WAUQUIEZ PILOT SALOON 60

KOMMENTARE DES MAKLERS

This majestic Wauquiez PS 60 underwent a complete refit from masthead to keel bottom and from bow to transom. All repairs / refits were carried out to the highest possible level. No costs were spared. The refit started in March 2020 and was recently completed but there can be still room for wishes of the new owner to be carried out. Come and visit this iconic luxury yacht and convince yourself. The owner is a motivated seller and has reduced the price drastically to €395,000.-
