SCHÄRENKREUZER 30

KOMMENTARE DES MAKLERS

The boat "Carioca" was built in 1929 by TORE HOLM. Anyone who sails a 30-series Schärenkreuzer loves beauty. He is thrilled by the elegant aesthetics of its shape and by the sporty dynamism with which the slender ship cuts through the waves. Those who sail 30s enjoy the closeness and contact with the water and appreciate that their ship offers a high level of safety even in strong winds. The 30er Schärenkreuzer has been completely refitted. New battened teak deck, all screw fittings in plastic bushes, almost new sails, main, flyer storm jib flyer and foresail furling.
