## KOMMENTARE DES MAKLERS

The Moonday 31 Bosphorus is a weekendcruiser with a GRP hull (2010), a wooden superstructure and teak decks. The ship, which always has been in the showroom, was finished in 2015 and has a modern 125 hp diesel engine. The engine has a warranty until 2019. The Bosphorus has a maximum speed of 35 km/h. The U-shape roundseat offers place up to 8 persons and there are 2 captains seats. The Moonday 31 has 2 berths, a complete galley and fridge. All together it is a pleasant ship for a longer period.
