INTER 7700 NOR-LINE DUTCH EDITION

KOMMENTARE DES MAKLERS

This very well maintained and equipped Inter 7700 Nor-Line Dutch Edition, built in Norway, is being sold by her second owner. This Inter 7700 is very comfortable, easy to handle and maneuver alone, due to the bow thruster and the heavier 75 hp engine, has a spacious and cozy interior and cockpit. Since 2019 only sailed with GTL. Because of the low air draft (1.65 m) you really can get everywhere. This unique Inter 7700 is inside a winter storage in the south of Zeeland. Please contact our office in Sint Annaland to arrange an appointment for a viewing on board.
