KOMMENTARE DES MAKLERS

With her lifting keel it's the ideal boat to spend the weekend with the family in the Ria Formosa area. She was sailed to Portugal in 2008 and has since only been used for short weekend trips in the Algarve. A great opportunity to buy this 2 cabin version with extended galley area and spacious aft cabin. Very well equipped and maintained with all through holes and bimini renewed in 2018, new stereo and TV and snap-on davits etc. Enjoy this season on board with the family!
