KOMMENTARE DES MAKLERS

Built in steel and aluminium by Dutch yard Moonen to a design by Diana Yacht Design, Midnight Saga II was delivered in 1986 as a long range pocket superyacht with several refits since. An interior by Rincklake Van Endert in cherry wood and light fabrics accommodates eight guests in three cabins configured as a main deck master suite, a double and a twin with a Pullman berth. All guest cabins have entertainment centres and en suite bathroom facilities while the crew quarters sleep four staff aboard this yacht for sale.

Valerio Biondi
