## KOMMENTARE DES MAKLERS

The Beneteau 40 CC is exceptionally comfortable both above and below deck. Ocean-going and extremely stable and easy to handle. The open aft deck area, leads you to a well protected cockpit. Below deck, the layout is very neatly made, with the master in suite cabin in the aft, and the in suite guest cabin forward. The boat went through an extensive refit 2022-2023 with hull treatment, new rig and upgrading nav. and power systems, all very neatly made. She is a perfect sailing yacht for a couple that wish to explore the sea with autonomy. Turn key ready and waiting for new adventures.
