HALLBERG RASSY 412

KOMMENTARE DES MAKLERS

The Hallberg Rassy 412 is sporty rigged with a relatively high mast and a self-tacking jib. The relatively long waterline, the 'open' aft cockpit and the width of the stern are revolutionary for the Scandinavian builder. This cruiser can compete with many performance cruisers, is more user-friendly, has a stable value and is a traditionally built, indestructible boat. The boat has been continuously professionally maintained, is very complete and is ready to start the sailing season immediately! You are very welcome in Sint Annaland to come and view this beautiful boat.
