

ZEILLOGGER 27 M

KOMMENTARE DES MAKLERS

This authentic Haring Logger exudes character and history, with a beautiful classic rig highlighting its timeless silhouette. In 2011/2013 the vessel was transformed by the current owner with care and attention to detail into a comfortable and stylish liveboard. The spacious interior is elegantly laid out, with multiple cabins and stunning classic details that emphasize the ship's maritime heritage. Perfect for long, comfortable cruises with all comforts on board, including a sauna, and also ideal as a permanent liveboard. The exceptional berth in the center of Rotterdam can be taken over.
