

VAN DER HEIJDEN SUPERIOR FLY 2400

KOMMENTARE DES MAKLERS

This Van der Heijden Superior Fly 2400 (2011) underwent a complete luxury refit in 2019. Both interior and exterior were fully renewed, including a redesigned layout with a spacious owner's cabin, modern interior, and high-quality technical systems. Almost all equipment was replaced, such as air conditioning, heating, kitchen appliances, and navigation. With 4 cabins and 10 berths, a flybridge with bimini, and a hydraulic swimming platform, this yacht is perfect for comfortable and carefree family holidays.
