BAVARIA 40 VISION

KOMMENTARE DES MAKLERS

Vision Series from Bavaria Yachts was created not for the charter market, but for the private owners that plan to use their boats for extended cruising. The layout, controls, and systems of the Bavaria 40 Vision offer better comfort for the intended crew. With 6-foot 7-inch headroom and plenty of daylight, the 40 Vision provides one of the most comfortable, airy and bright interiors in her class. The particular boat has a new engine (2023) & many upgrates done by the present owner.
