

## GRAND SOLEIL 52 LC

## KOMMENTARE DES MAKLERS

This GS 52 LC is an optimal fast-long cruiser by many described as a "masterpiece destined to last". The famous shipyard has yet again optimized performance and comfort in sailing with autonomy. The large, wide aft deck and cockpit have very comfortable access to the side decks and can convert into a fantastic dining area. The salon and 3 in-suite cabins have a light and open atmosphere. You will find that the yacht has been well maintained being used every season. Viewing highly recommended.
