## KOMMENTARE DES MAKLERS

Designed by Doug Peterson and constructed by Jongert yard in 1995, SCARENA is a fast, safe, and comfortable cruiser, equally at home sailing around the globe or providing high-end charters in the Mediterranean. Its exclusive mechanical steering system offers a responsive feel at the helm while sailing. Notably, it is one of only five 2900M models built by Jongert and is the only model in this range with four cabins, featuring an additional twin cabin with a private bathroom. EU VAT Paid.

*Tom Kingham*
