GARCIA EXPLORATION 45

KOMMENTARE DES MAKLERS

Nusquama is hull #33 of the renowned Garcia Exploration 45, Jimmy Cornell's vision of the perfect long-distance cruiser. Built in Aluminium with twin rudders and a protected cockpit, she's designed for high-latitude and tropical sailing alike. This 2-cabin "comfort" version boasts a bright saloon with panoramic views, a forward owner's suite, and extensive autonomy: New Volvo Penta Engine 2025, Spectra Watermaker, upgraded Lithium Battery Bank. Nusquama, derived from Latin, means both 'Utopia' and 'No Place', a fitting name for a yacht built to take you anywhere, even to the edges of the map.

Oliver Stehula
