## KOMMENTARE DES MAKLERS

This Sunseeker Portofino 53 is one of the most extensively upgraded examples on the market, with €320,000 invested with major refits between 2022 and 2024. She benefits from a new MAN port engine (2024, 10 hrs), Humphree fin stabilisers, Raymarine Axiom 15" displays, ultra-quiet A/C, Fusion audio with subwoofer, solar panels, and a fully refinished interior. Featuring a practical 3-cabin layout, retractable sunroof, and teak decks throughout. Managed by a professional captain since 2010, she is presented in excellent condition and ready for the 2025 season. Optional Palma Berth.
