CONCORD 47.5

KOMMENTARE DES MAKLERS

Concord 47.5 DS "Northern Light" built in 1999 and lauched in 2000 by Alumarine B.V. in The Netherlands. Designed by Dick Koopmans and B. Busman. This aluminium deck saloon sailing yacht is bought by her current owner in 2018 and he directly brought her to De Gier Maritiem for a large refit 2018-2019. (new engine, generator, navigation equipment, new paint, sails, rigging etc) After completing the refit the owner did a lot of long range blue water cruising. Now "Northern Light is for sale, ready to go on new adventures, currently located in Panama.
