JEANNEAU PRESTIGE 42S

KOMMENTARE DES MAKLERS

Designed to get you on the water with ease, the Volvo IPS joystick makes handling effortless whether it's your first boat or your fifth. The sleek 42S hull delivers sporty performance with a confident ride, while the IPS system enhances fuel efficiency and range. Two cabins and two heads provide comfort for extended trips, with a bright full-beam midship suite a standout feature. Large windows, an electric hardtop, a tender garage, and wide swim platform complete the package. A berth in the South of France is available.

Alan Deasti
