ENDURANCE 44

KOMMENTARE DES MAKLERS

REDUCED PRICE This solid and very well build steel hull Endurance 44, designed by Peter Ibold, has a comfortable cockpit and a spacious forward deck. You will find the accommodation area open and light and well equipped. The yacht has been well maintained by her experienced owner, the electrical system has been renewed onboard and the hull sanded and painted in 2023. The new watermaker, solar panels & lithium batteries give her full autonomy. Everything is operative for a safe passage.
