DAY PASSENGERS SHIP DIVING BOAT 24 M

KOMMENTARE DES MAKLERS

The ship constructed first as a TUG boat and in 1995 was converted to DAY PASSENGERS CRUISING SHIP. All works designed & supervised by Ploutis Naval Architect. Ship acquired CE certificate in 2022 when the ship was completely refitted. Capacity: 100 pax at present but if not used for diving but solely as passengers ship, then the capacity can be increased.
