KOMMENTARE DES MAKLERS

The 1985 Maestro 35 is a highly regarded premium performance cruiser, built by a boutique Finnish shipyard & often referred to as a "little Swan" thanks to her elegant lines, exceptional craftsmanship, & sailing performance. Her teak interior reflects the renowned quality of Scandinavian boat building. The practical & comfortable layout accommodates up to six people. A well-equipped galley, dedicated chart table, & enclosed head make her ideally suited for coastal cruising & offshore passages. This yacht has been maintained throughout her life, preserving both her condition & her value.
