BENETEAU FLYER 12 CABIN

KOMMENTARE DES MAKLERS

The Beneteau Flyer 12 Cabin is a stylish and versatile sports cruiser, well known for her excellent performance, comfortable cruising characteristics and practical layout. This well-equipped yacht offers twin Volvo Penta engines, bow and stern thrusters, extensive Garmin navigation equipment, generator, air conditioning, heating and many additional options. With two comfortable cabins, a spacious saloon and a large cockpit, she offers generous living space for weekends away or longer cruises. Ready to enjoy and available for viewing by appointment.

FREQUENTLY ASKED QUESTIONS

DE VALK

What is the reason for selling your yacht?

Age.

How many owners has your yacht had and when?

I am the second owner.

What can you tell about the history and cruising area of your yacht?

The vessel entered service in 2006, and its cruising area covered Zeeland, France, the Belgian coast, the Netherlands, the IJsselmeer, and the Wadden Islands.

Why did you choose this yacht when you bought it?

I am very fond of Beneteau. Solidly built, very stable, and comfortable.

What is the special meaning of the name of the yacht for you?

The name is Marianne, because she was my first love.

Has your yacht ever been used for charter? And if so, when?

No.

What can you tell about the sailing characteristics of your yacht?

I often sail it solo, and it is easy to handle in every respect. Very stable and maneuverable.

What did you do with your yacht during the winter?

In October, the vessel will return to its home port, where it will be laid up in a frost-free environment for its scheduled maintenance period. As part of our standard practice, all maintenance work will be performed by the shipyard.

What kind of maintenance or renewals have been carried out (with documentation as prove)?

Maintenance records, including invoices, can be provided through the broker upon request.

What are, according to you, future points of attention with regard to the maintenance of your yacht?

All equipment is in good condition, has been regularly maintained, and is in full working order.

Which four keywords would you use to describe your yacht?

A well-maintained, attractive, and exceptionally fast vessel that is easy to operate.
