CHUNG HWA BOAT BUILDING TRAWLER 34

KOMMENTARE DES MAKLERS

Solid GRP hull, teak decks, and a timeless motoryacht profile. Designed by Ed Monk Jr., built by Chung Hwa Boat Building Co. in Kaohsiung, Taiwan, she's part of a trusted lineage of tough, go-anywhere trawlers exported worldwide under names like CHB and Nordsee Trawler. She offers a thick ruggedly built hull, a spacious fly deck, a warm teak interior with two cabins with in suite bathrooms and a wheelhouse/saloon, dependable diesel power, and generous tankage for real cruising range. Not flashy but capable. A proven long-range cruiser for easy handling.
