CUSTOM WOOD BUILD GAFF RIGGED SCHOONER

KOMMENTARE DES MAKLERS

Four Friends is the boat you take when the job is the story. A 20-metre gaff schooner, built in Chengal in 1998, she has already carried BBC, Discovery and Survivor. The classroom is in the deckhouse, bronze windows from the SS Kuala looking out, ready for the next crew that wants to teach, film or simply go. Thirteen berths, a New Zealand flag, and Batam under her keel. She is not a marina ornament. She is a working ship with another voyage in her, and she is ready for the person who knows what to do with that.
